Dental

Good health starts with a healthy mouth. You can protect your healthy smile with cost-effective, easy-to-use dental benefits from one of the nation's largest dental insurers. The plan is a Qualified Dental Health Plan in the Health Insurance Marketplace and your plan year starts with the first month of eligibility.

More than 170,000 dentist locations are included in the Humana Dental PPO network. To find dentists in your area, visit **Humana.com**.

Make your Humana plan fit your needs even better. Extra benefits are an easy and affordable way to get the coverage you need.

Network agreements

Network providers agree to accept an agreed-upon amount as payment in full. Your contract explains your share of the cost of services rendered by network providers. It may include a deductible, a set amount (copayment), and a percent of the cost (coinsurance).

When you go to a network provider:

- The amount you pay is based on the agreed-upon amount.
- The provider can't "balance bill" you for charges greater than that amount.
- There are primary care physician (PCP) selection requirements and specialist referral requirements.
- Primary care physician (PCP) referral is not required for network obstetrician and gynecologist services.

When you go to an out-of-network provider:

- There is no coverage for out-of-network providers, except for emergency care as defined in your contract.
