Insured by Humana Insurance Company referred to herein as Humana.
Applications are subject to approval. Limitations and exclusions apply.

Network agreements

Network providers agree to accept an agreed-upon amount as payment in full. Your policy explains your share of the cost of services rendered by network providers. It may include a deductible, a set amount (copayment), and a percent of the cost (coinsurance).

When you go to a network provider:

- The amount you pay is based on the agreed-upon amount.
- The provider can't "balance bill" you for charges greater than that amount.

When you go to an out-of-network provider::

- The amount you pay for health benefits is based on Humana's maximum allowable fee.
- The provider can "balance bill" you for charges greater than the maximum allowable fee. These charges don't apply to your out-of-pocket limit or deductible.
